## 2026 ANNUAL IMPLEMENTATION PLAN

**Educational achievement:** Strengthen the teaching of reading

**Belonging and engagement:** Refine multi-tiered systems of support

Dear Ooononba State School Community

Welcome to Week 3 at Ooononba State School. This week, we celebrate the wonderful achievement of our Ooononba State School OptiMinds Team, who competed in Brisbane last weekend.

Over the past few months, a small group of students along with Mrs Beaton, Mrs Vincent and Ms Dematos, have been working extremely hard in their own time to prepare for the OptiMinds competition. Last weekend, one of the teams flew to Brisbane to compete against other schools in the state. They conducted themselves beautifully, demonstrating great behaviour, innovation and enthusiasm, and we congratulate everyone involved, including their families who supported them. This is another great testament to the community fostered at Ooononba State School. Well done!

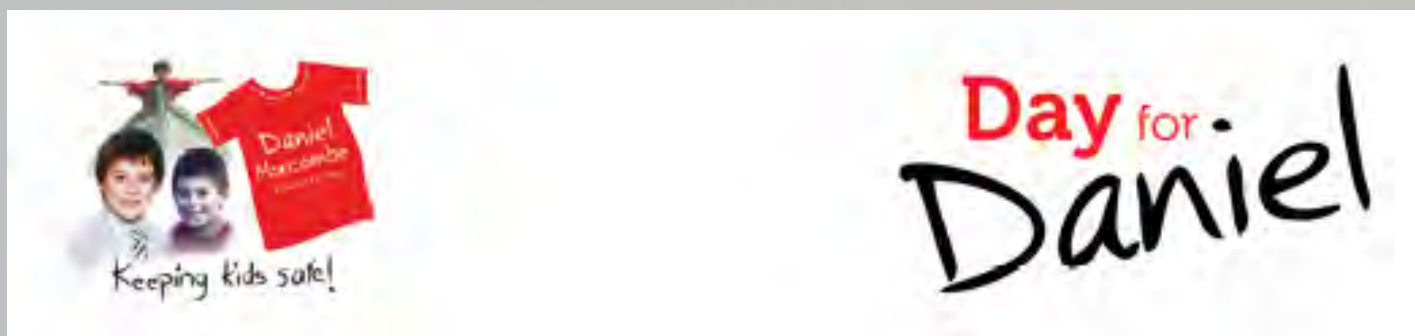

### WORLD TEACHERS' DAY

Next Friday 30 October is World Teachers' Day. This year's theme is 'Teachers change lives'. Our teachers at Ooononba State School do an amazing job every day of educating, supporting and uplifting our students. Please remind your children to thank their teachers for the care and dedication they offer our community every day.

### DAY FOR DANIEL

Next Friday 30 October is also Day for Daniel. Students are encouraged to wear red for the Day. Day for Daniel is Australia's largest national event dedicated to child safety education and awareness. It's a day of action that promotes safer communities and empowers children to Recognise, React and Report when they feel unsafe. Next Friday, we invite children to wear Red. At Ooononba State School, all classes will be engaged in a discussion or activity to promote the message, Recognise, React and Report.

More information found here: <https://danielmorcombe.com.au/day-for-daniel/>

## ATTENDANCE AND LEARNING

We encourage our students at Oonoonba State School to be At School, On Time, Every Day. Teaching and Learning commences each day by 9:00am. Students who are late to school or regularly miss days, miss out on vital teaching and learning, as well as the stability of routines, setting up for success for the day/week and the culminating impact of progressive learning. We understand there are circumstances such as illness and emergencies that prevent children from attending school at times, but encourage families to avoid unnecessary absences. Teaching and Learning occurs at school, and in many cases, cannot be 'sent home' to be caught up. We know you want the best education for your children, and so do we.

## DEPARTING STUDENTS

If your child in years Prep to Year 5 are leaving Oonoonba State School at the end of 2026, please let us know.

Thank you for your commitment to your child's education and being part of the Oonoonba State School community.

Yours in education

Sarah Comino  
Principal

## PE NEWS

### Northern Representatives

A massive congratulations goes out to our two students following their recent participation in the State 10-12 Track and Field Championships, held in Brisbane last week.

One student competed strongly against tough competition in the 100m and 200m dash. The other managed to snag a PB in the 800m, and also placed 10<sup>th</sup> in the tetra (long jump, 100m, 800m and shotput).

What a fantastic experience for these two, and I wouldn't be surprised if this isn't just the beginning of a very successful few years representing Northern in track and field!

### Northern Aquathon Trials

Nominations are now open for the **Northern 11-19 yrs Aquathon** trials, to be held on Sunday 8<sup>th</sup> November at Long Tan Memorial Pool.

Aquathon is a combination of a 200m swim, followed by a 2km run. I would encourage **any student born in 2013 – 2016** to trial if they have proficiency in swimming and running, especially those students who participate in Nippers.

If you would like more information, or would like to nominate your child, please contact me via my email.

**Nominations close Monday 2<sup>nd</sup> November.**

Yours in sport

## 🎵 News from Music 🎵

We are currently in the middle of our **Instrumental Music Program recruitment** for next year!

Our program offers students the opportunity to learn **Strings, Brass, Woodwind and Percussion**, with students receiving a **30-minute lesson each week**. As students develop their skills and confidence, they are encouraged to join one of our school bands or ensemble groups and experience the fun of making music together.

We are very fortunate in Queensland to have access to instrumental music programs in our State Schools, and we are proud to offer this opportunity to our students at Oonoonba State School.

We have a **limited number of school instruments available to hire for \$20 per year**. These instruments are intended to assist students during their first year of learning. If your child wishes to continue playing their instrument after their first year, families are asked to purchase an instrument. This allows our school instruments to become available for new students and helps us give more children the opportunity to learn an instrument.

### Who can apply for 2027?

🎺 Students currently in **Year 3**, moving into Year 4 next year, can apply to learn **Woodwind, Brass or Percussion**.

🎻 Students currently in **Year 2**, moving into Year 3 next year, can apply to learn **Strings**.

🎵 We are also opening applications to students currently in **Year 4**, moving into Year 5 next year, who may have missed the opportunity to begin lessons in previous years.

If your child is interested in learning an instrument, we encourage you to **scan the relevant QR code** included in this newsletter and complete the expression of interest. Our instrumental teachers will then be in contact with you and your child with further information.

We look forward to welcoming lots of new young musicians into our program next year!

**Yours in music,**

Mrs Gough, Mr Edwards, Mrs Clarke-Flessner & Ms McLean

## Oonoonba SS Opti-MINDS State Finals Honours winners!!!

Last weekend teachers Ms Izabella Dematos and Mrs Meg Vincent accompanied five incredible OSS students Isla, Ivy, Lois, Addison and Lara to Brisbane to compete in the Opti-MINDS State Finals. They were perfect ambassadors of our great school wearing the blue and gold with pride!

We are very proud to announce our incredible OSS Team were awarded honours in their category Social Science, which essentially means they placed 2<sup>nd</sup> in the state!!!!!!

90 teams, 560 students representing 12 regions competed from all over Queensland at the University of Queensland. Opti-MINDS (once called Tournament of the Minds) is a creative problem-solving challenge for teams of participants which focuses on empowerment through thinking, creating, and communicating. It involves teams solving demanding, open-ended challenges in categories such as Language Literature, Media Communication, Science Engineering, and Social Science.

**Day 1 – Saturday.** Teams were given a scenario, a bag of limited art supplies and a teacher from another school and sent off for *just 3 hours* to create a play that had to address a problem, make props, fill in the paperwork and entertain an audience. Our OSS students worked extremely well as a team, displaying excellent resilience and impressive teamwork to create an entertaining 10 minute play. They also had to squeeze in a Spontaneous Challenge which helped them to display their dynamic team skills and just how well they gelled as a team.

**Day 2 –** We got to showcase more of our talents at the Youth Forum on Sunday and hear about other teams' ingenious products and ideas on how to change the world. The Oonoonba Team created the Bracelet Buddies – a system that helps lonely children find a buddy at school using a system of coloured bracelets that the team handmade to pass out at the forum. Ask one of them about it –they would be happy to explain it in detail for you.

*On behalf of the team and teachers please accept this huge thank you to - family members who travelled with their child, Admin team for the "Yes you can go!", OSS P&C for their generous donation of the registration fee, the OSS community for the massive support of our Crazy Sock Day, teachers who supported the team in trainings and of course our TEAM of Opti-Legends who have worked tirelessly and given so much time and energy to get it done! We are beyond proud of you all!!!*

## WE'RE OPEN FOR SWIMMING!

Tuckshop is still open for all  
our Prep students! ♥

Whether your little one is heading off to swimming  
or staying at school, they can still enjoy their  
tuckshop favourites! ♥

### FOR OUR LITTLE SWIMMERS:

Tuckshop orders will be  
organised around their  
swimming schedule, so they  
may receive their lunch earlier  
or enjoy it once they've  
finished swimming.

### FOR OUR PREPS STAYING AT SCHOOL:

Nothing changes for you!  
Tuckshop is still available  
as usual.

We know swimming days can be big days,  
with lots of splashing, swimming and burning off energy!

So whether they need a yummy lunch,  
a refreshing drink or just a little snack afterwards...  
♥ don't stress — we've got you! ♥

Keep placing your orders  
through Flexischools  
as usual, and we'll take  
care of the rest!

Have the  
best time  
at swimming,  
little Preps!

**Monday Deal**  
Japanese Kaarage Chicken  
Bowl from \$8.00

What's in your bowl?

- Fluffy rice
- Delicious karaage chicken
- Seasonal vegetables and fresh salad
- Japanese dressing
- Kewpie mayo and a sprinkle of sesame seeds

Do you come along to watch the school parade on a  
Monday morning?

While you're waiting for the students to arrive, would you  
have just 10 minutes to spare to give our tuckshop a  
helping hand?

Monday is our first day of trade for the week, which  
means we're starting from scratch! We receive our fresh  
stock deliveries and prepare everything for the week  
ahead, including our fresh items and snacks like custards,  
mousse, popcorn and fruit cups.

All those little jobs add up, and sometimes getting  
everything ready on a Monday morning can be a bit tricky  
when there's lots to do!

This is where YOU can make a huge difference!

Whether it's portioning snacks, preparing fruit cups,  
organising stock or helping with another small job, even  
10 minutes of your time can make a HUGE difference to  
our morning!

You don't need to commit to regular volunteering or stay  
for hours. If you have a little spare time before parade,  
simply pop in, say hello, have a chat and lend a hand  
where you can. We would absolutely love to see you!  
Our tuckshop relies on the support of our wonderful  
school community, and sometimes it's the smallest  
things that make the biggest difference.

Come say hello, meet the team and help us get the week  
off to a great start!

Ten minutes for you means a whole lot to us!

# 2027 school bus pass applications

**K/NET/C**  
moving people

## School Transport Assistance Scheme (STAS)

Applications for 2027 School Transport Assistance Scheme (STAS) bus passes are now open. The School Transport Assistance Scheme assists eligible students with the cost of bus travel to and from school.

Each year we receive thousands of applications so applying as soon as applications open gives your child the best chance of having a bus pass ready for the first day of Term 1, 2027.

### Who needs to apply or reapply?

A new application is required for:

- / Students who have not received STAS assistance before.
- / Students moving from Year 6 to Year 7 in 2027, including students at a P-12 college who are staying at the same school.

Year 6 students must reapply because STAS eligibility does not carry over from primary school into high school. All other students who already receive STAS assistance and are continuing at the same school in 2027 do not need to reapply.

### The STAS application process

- 1 Review the STAS information and eligibility criteria at [www.qld.gov.au/schooltransportassistance](http://www.qld.gov.au/schooltransportassistance)
- 2 Complete the online application form at <https://stas.forms.tmr.qld.gov.au/content/forms/af/TranslinkForms/STASApplication/STASApplication.html>
- 3 Enter a travel start date of 27 January 2027 or later, which is the first day of Term 1, 2027.
- 4 Your application is assessed based on eligibility criteria.
- 5 Bus pass is printed
- 6 2027 bus passes are sent directly to the applicant's address.

If you need help completing the form, email [STASdigital.Helpdesk@tmr.qld.gov.au](mailto:STASdigital.Helpdesk@tmr.qld.gov.au)

or phone 1300 119 289

Students who do not meet the STAS eligibility criteria pay the applicable fare using a Translink go card.

Information about go cards and fares is available at: [translink.com.au/tickets-and-fares](http://translink.com.au/tickets-and-fares).

### Information about school bus routes and timetables

To plan your child's journey or check bus routes and timetables, use the Translink Journey Planner: [jp.translink.com.au/plan-your-journey/journey-planner](http://jp.translink.com.au/plan-your-journey/journey-planner).

Families can also contact Translink on 13 12 30.
