Each year we struggle to find enough volunteers to fill all the tasks we need completed. The aim of this survey is twofold, to increase the NUMBER of parents participating while DECREASING the amount of time each person will need to volunteer. There are some jobs that do take more time, and some less. But if we all give a small amount of time each Term the contribution we can make to our school is enormous. We even have jobs that don't require coming to school AT ALL! We will call you shortly to discuss the options you have selected.

There is something to fit everyone's time & talents! Oonoonba State School P&C

"Creating opportunities-Making a difference"
